

Math & Art

2010- 2011 Venture Tuesday Classes

Course Description

Venture will be offering Math and Art classes on Tuesday for the 2010-2011 school year. These classes received great interest from participating Venture homeschool families. We hope that the addition of these classes will enhance your homeschooling.

HANDS ON MATH FOR 1st – 4th GRADE

HANDS ON MATH FOR 5th – 8th GRADE

Students will gain a greater understanding of math standards through the use of manipulatives. The standards include numbers and operations, algebra, geometry, measurement, data analysis, and probability. Lessons will build understanding from the concrete to the abstract. Perfect for students with diverse learning styles. We will be using *ETA Cuisenaire's Hands-On Standards* as our math curriculum.

Grades 5-8 will be expected to complete a weekly homework assignment.

Objectives:

- Reveal the preciseness in math as something to be in awe of, just like our Heavenly Father, and to see the consistency in it with each concept.
- To explore the concepts in an open environment fostering class discussions and individual explorations. To bring the concepts into real life by demonstrating practical applications as much as possible.
- To enable the student to continue to the next level in mathematics with solid conceptual confidence and understanding.

Text and Materials:

- Handout/Homework folder
- Wide Rule (70 sheet) spiral notebook
- Mechanical Pencil w/ extra lead and erasers

ELEMENTARY SCHOOL ART 1st – 4th GRADE

MIDDLE SCHOOL ART 5th – 8th GRADE

(HIGH SCHOOL ART is listed of the High School Course Descriptions)

A sample schedule of our day is as follows:

9:00 – 10:30 High School Art
9:00 – 10:30 Middle School Math
10:30 – 12:00 Middle School Art
10:30 – 12:00 Elementary Math
12:00 – 12:30 LUNCH
12:30 – 2:00 Elementary School Art

Registration Fee: \$70 Each Additional Sibling: \$35 Monthly Tuition: \$40 per class

Art Studio Supply Fee: \$60 per year due at the Parent Orientation Meeting
